Virginia,
We had lots of fun this Freshman year
at least I did. You really mean a lot to me.
You have a wonderful personality and you are
really beautiful. Not only beautiful in looks;
but inside (your personality)
"Sunrise" is the biggest memory of you
three that I have. Next year I want to get
to know you better. I know you, but not
as well as I want to know you.
I want to sit down and have long
conversations with you.

I hope you and Bobby stick together
because he's really nice and so are you.

I bet when you're a junior you'll be "Prom
Queen" that would be great.

Next year I want to do a dance with you
in the dance show. OK?
I wish I had more memories to share
with you on well!
Love, M

ing.

It was great with you at
his school. If you split with
Bob, come and see me (even
if you don't split). You look great
walking down the hall. It makes
me feel sad that it's not me
with you instead of Bob. He still
loves you.

Love always
Joe Caldwell

*For everything there is
a season
A time to be born, and
a time to die;
A time to plant, and
a time to harvest;*

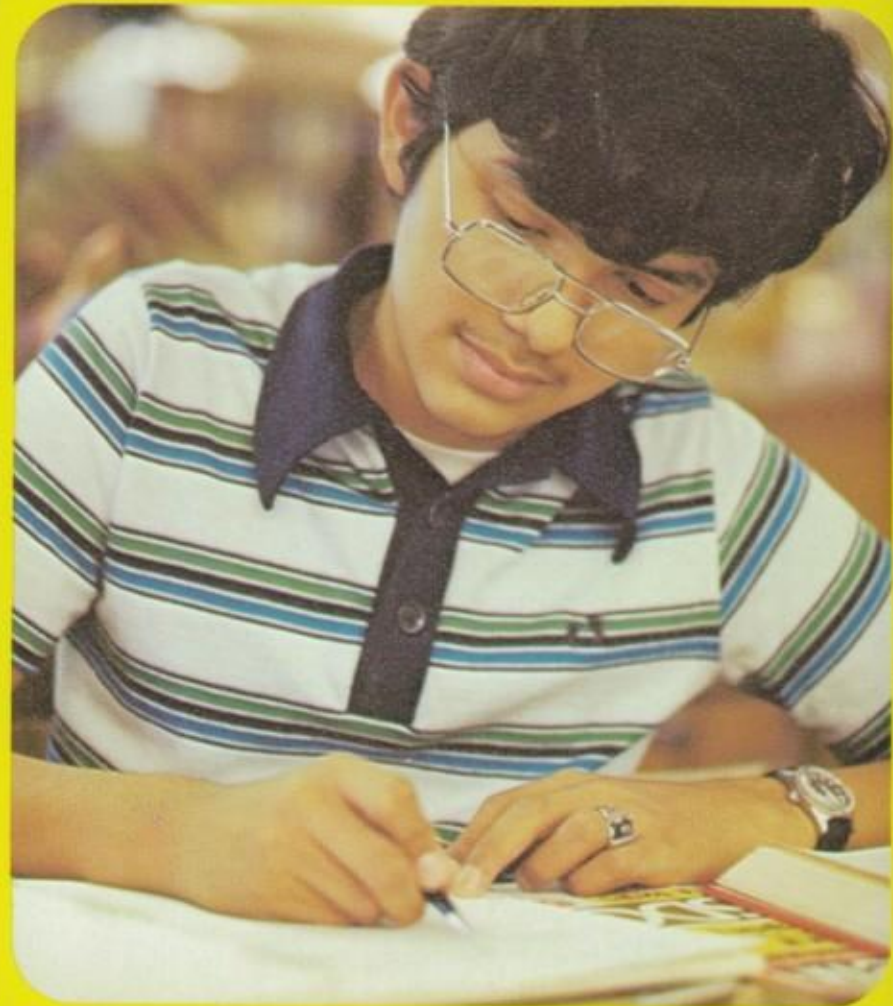

*A time to kill,
and a time to heal;
A time to destroy,
and a time to rebuild;
A time to cry,
and a time to laugh;
A time to grieve,
and a time to dance;*

*A time to win, a time to lose;
A time to be quiet, a time to speak up;*

Dugan, well I knew the first time I saw you that
 you were going to be a tennis pro and it's really
 a pleasure to write in a tennis pro's book. Have
 a fun summer hope to see you at the beach parties
 or wherever if not I'll see you next year and
 at Wimbledon

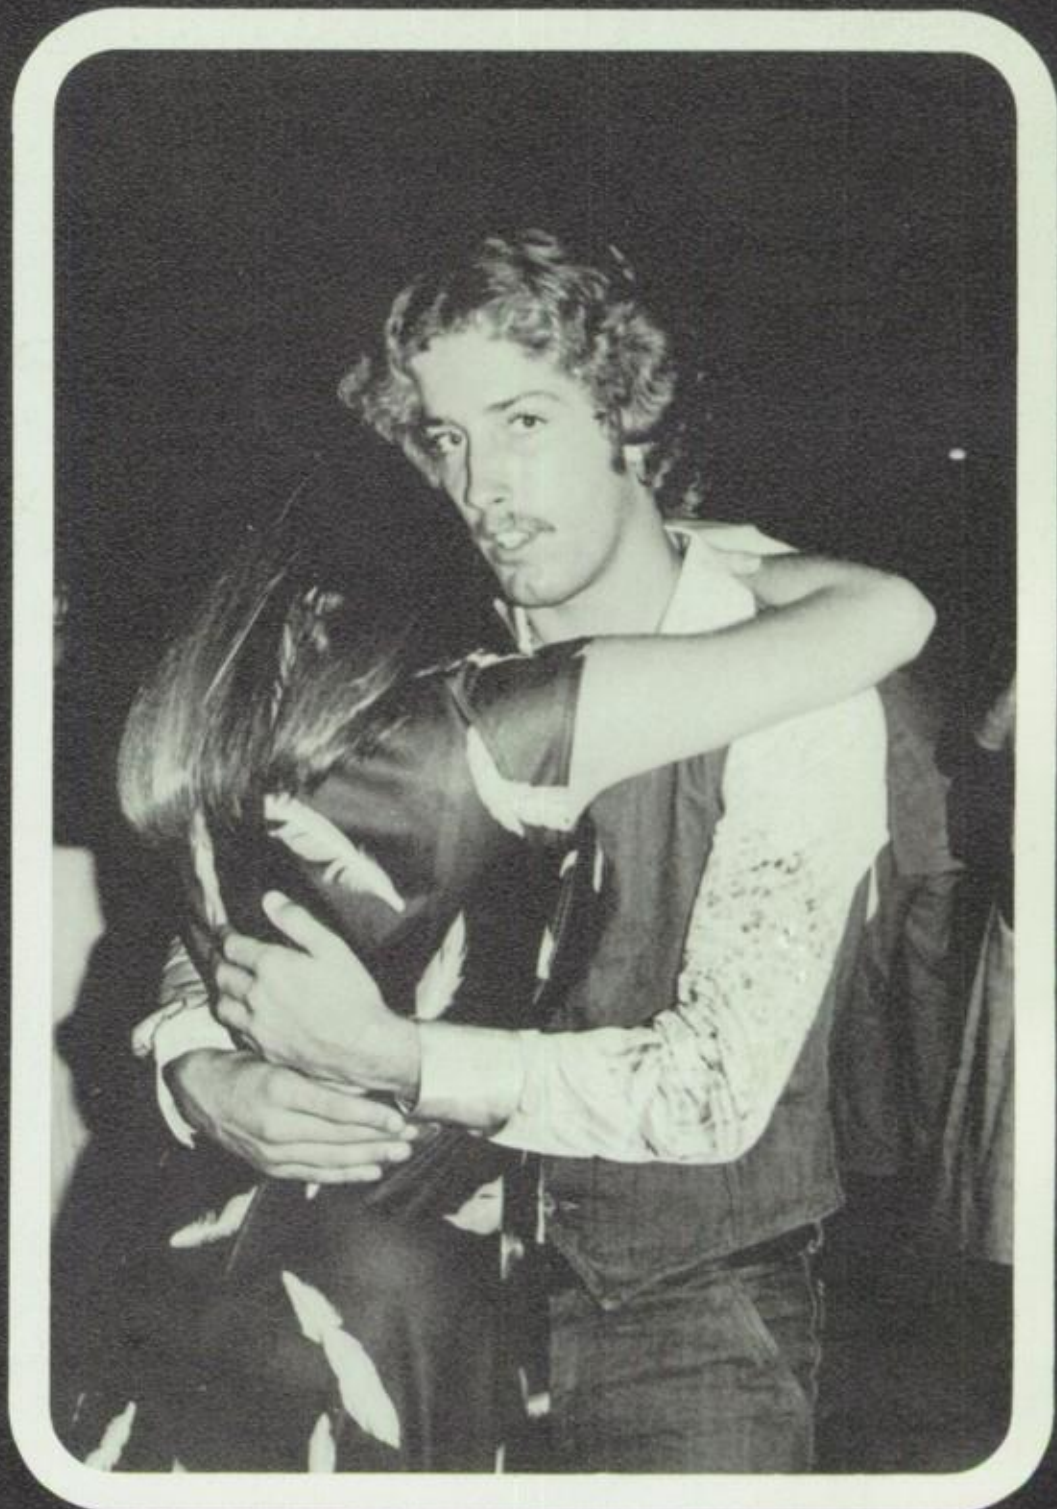

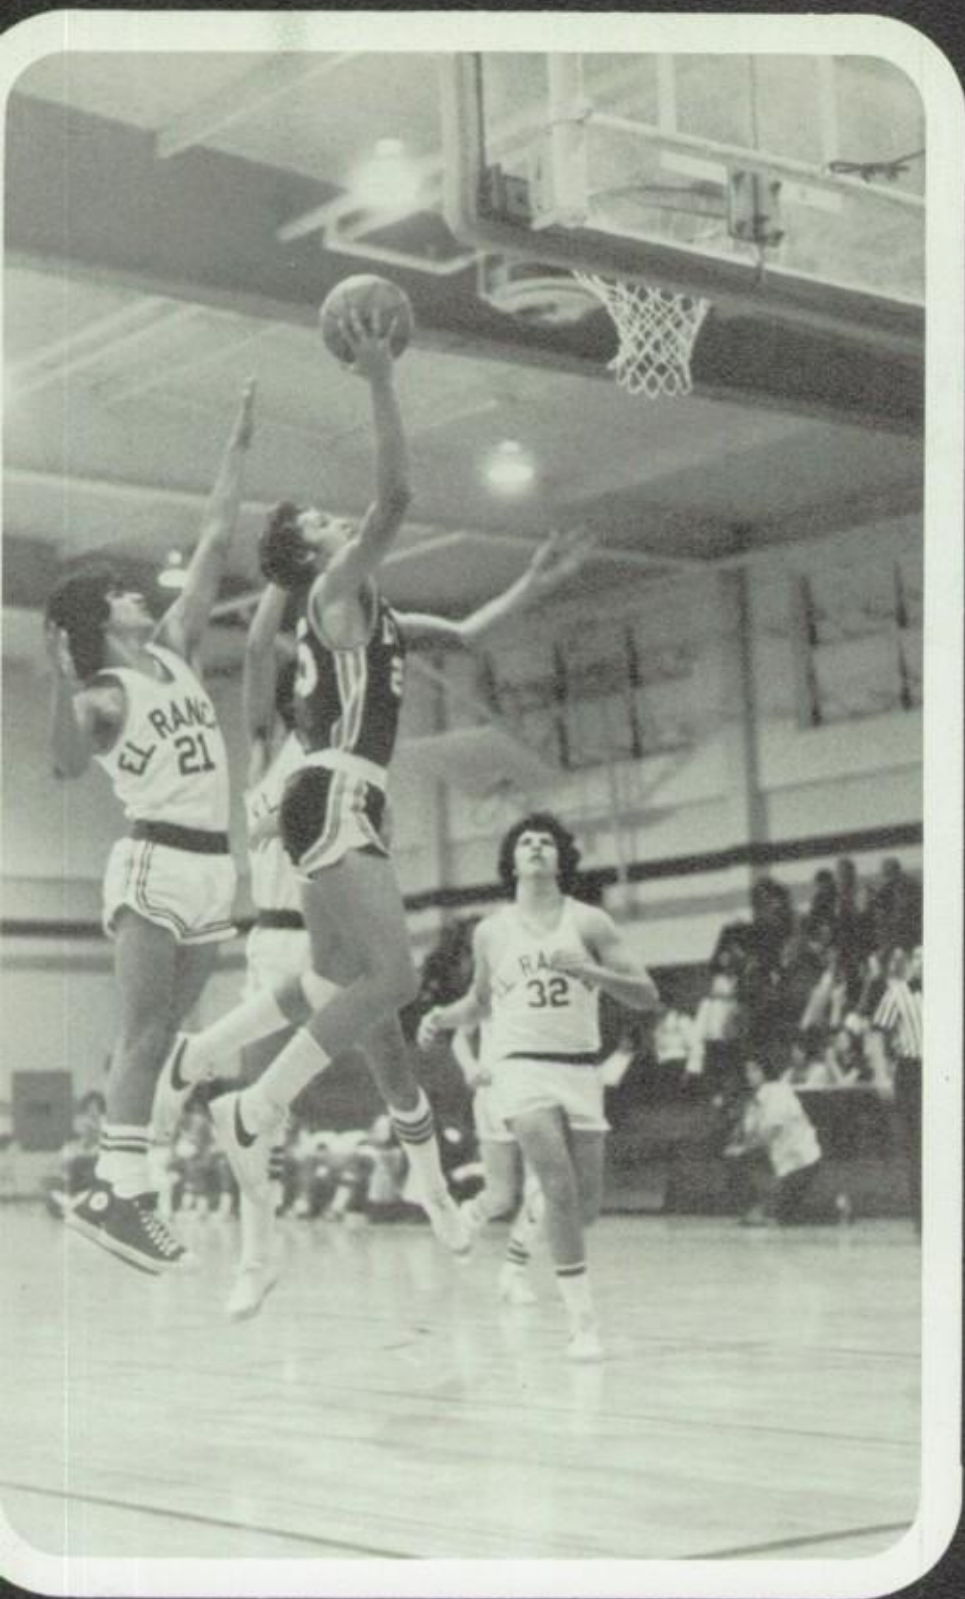

love ya

*A time to embrace,
and a time to refrain from embracing;
A time for scattering stones,
and a time for gathering them together;*

*A time for loving, a time for hating;
A time for war, a time for peace.
Ecclesiastes 3: 1-8*

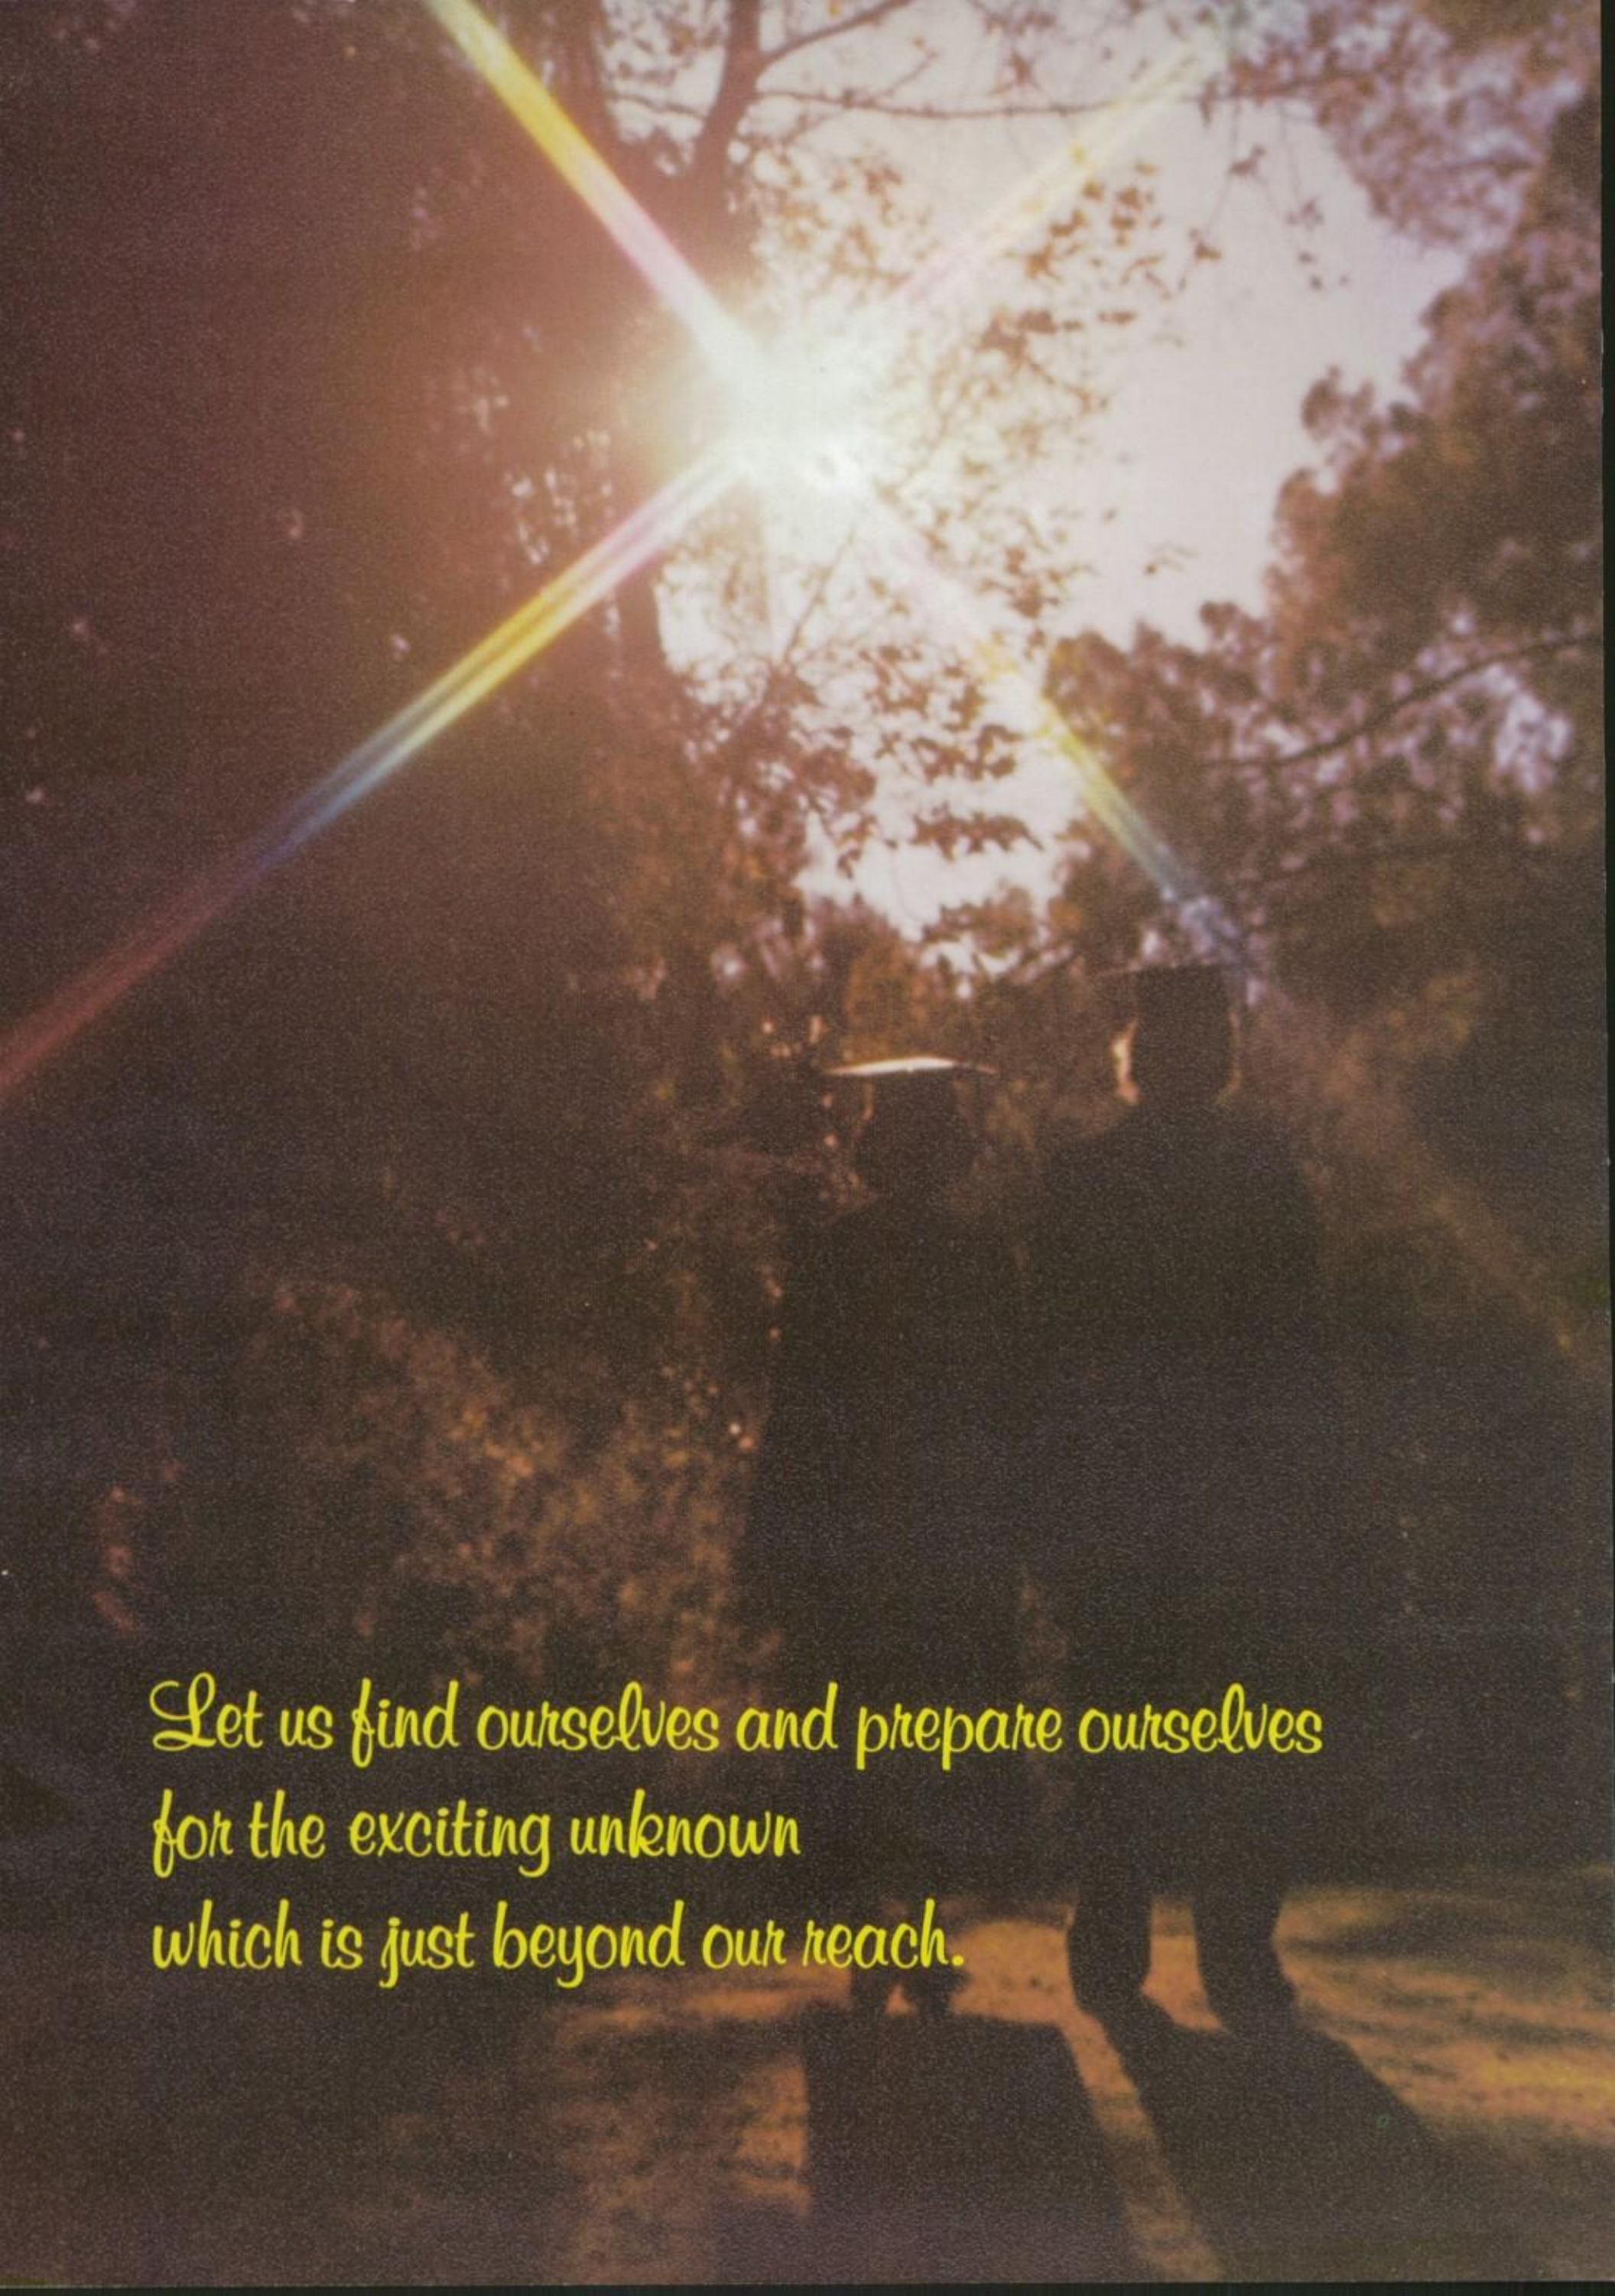

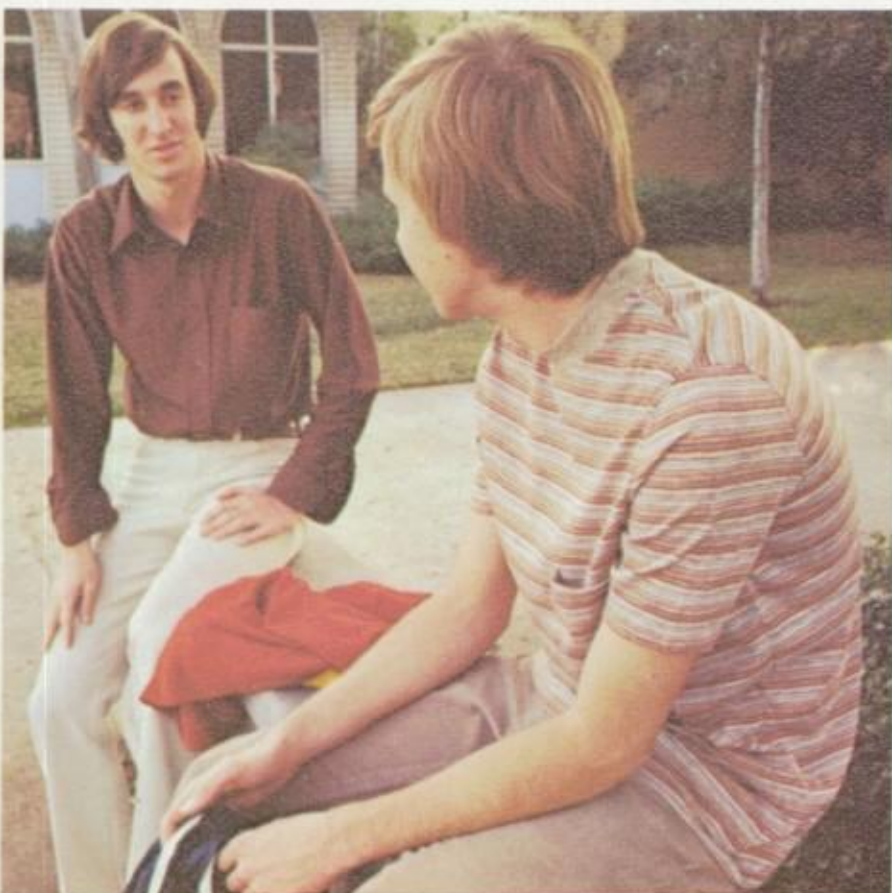

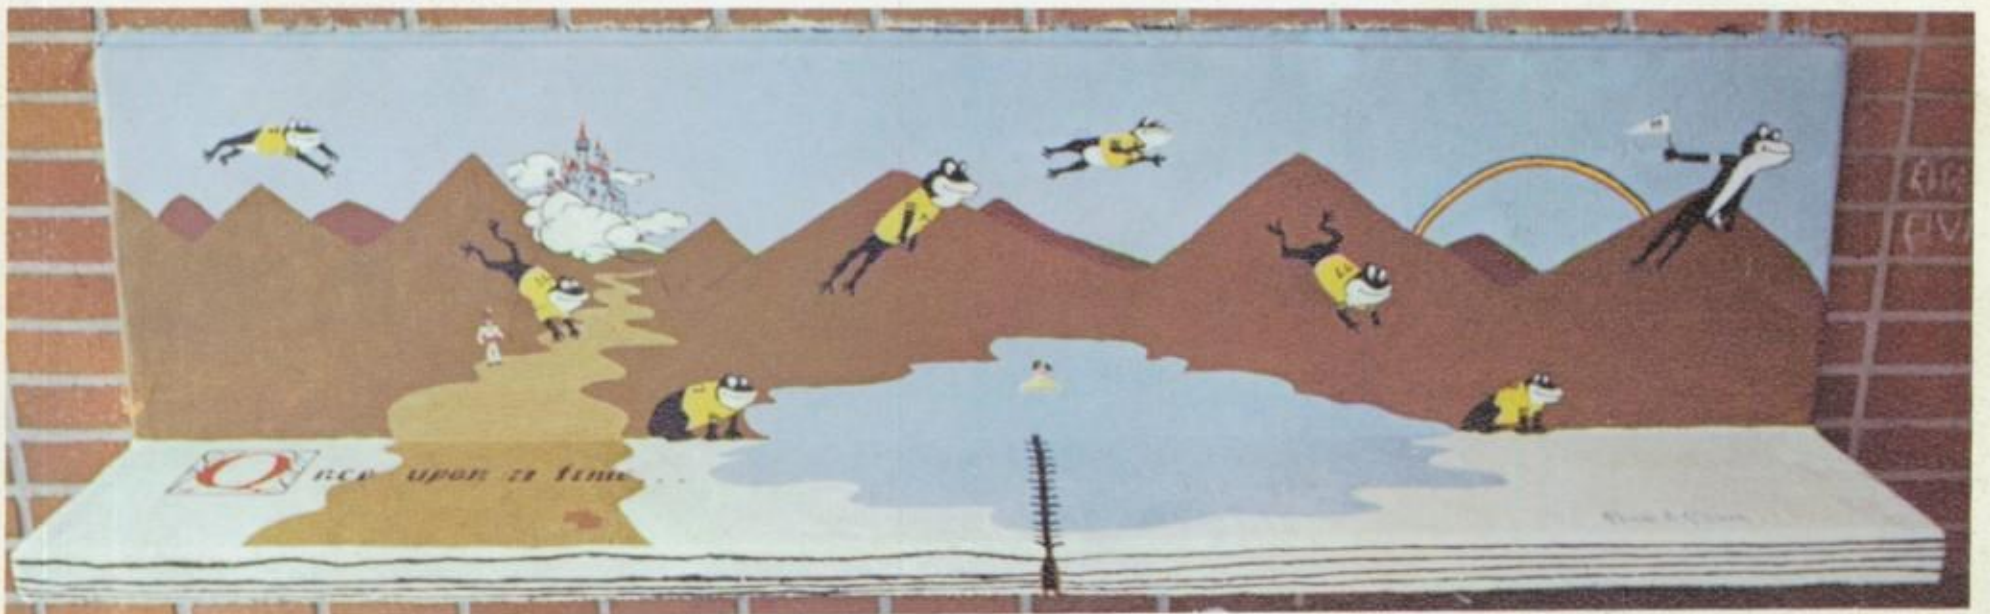

Seniors

A photograph of a person in a dark forest, looking up towards a bright light source, possibly the sun, which creates a strong lens flare. The person is silhouetted against the dark background of the trees. The light source is positioned in the upper left quadrant, casting a bright glow and creating a series of colorful, diagonal streaks across the image. The person's head is tilted back, and their arms are slightly outstretched, suggesting a moment of awe or contemplation. The forest floor is visible in the lower right, showing some rocks and foliage.

Let us find ourselves and prepare ourselves
for the exciting unknown
which is just beyond our reach.

Spot in Orange League

The Highlanders began this year where they left off last year, in spite of their new Orange League setting. There was no doubt in anyone's mind, that the Clan deserved the #1 ranking in CIF for their superior play during the season.

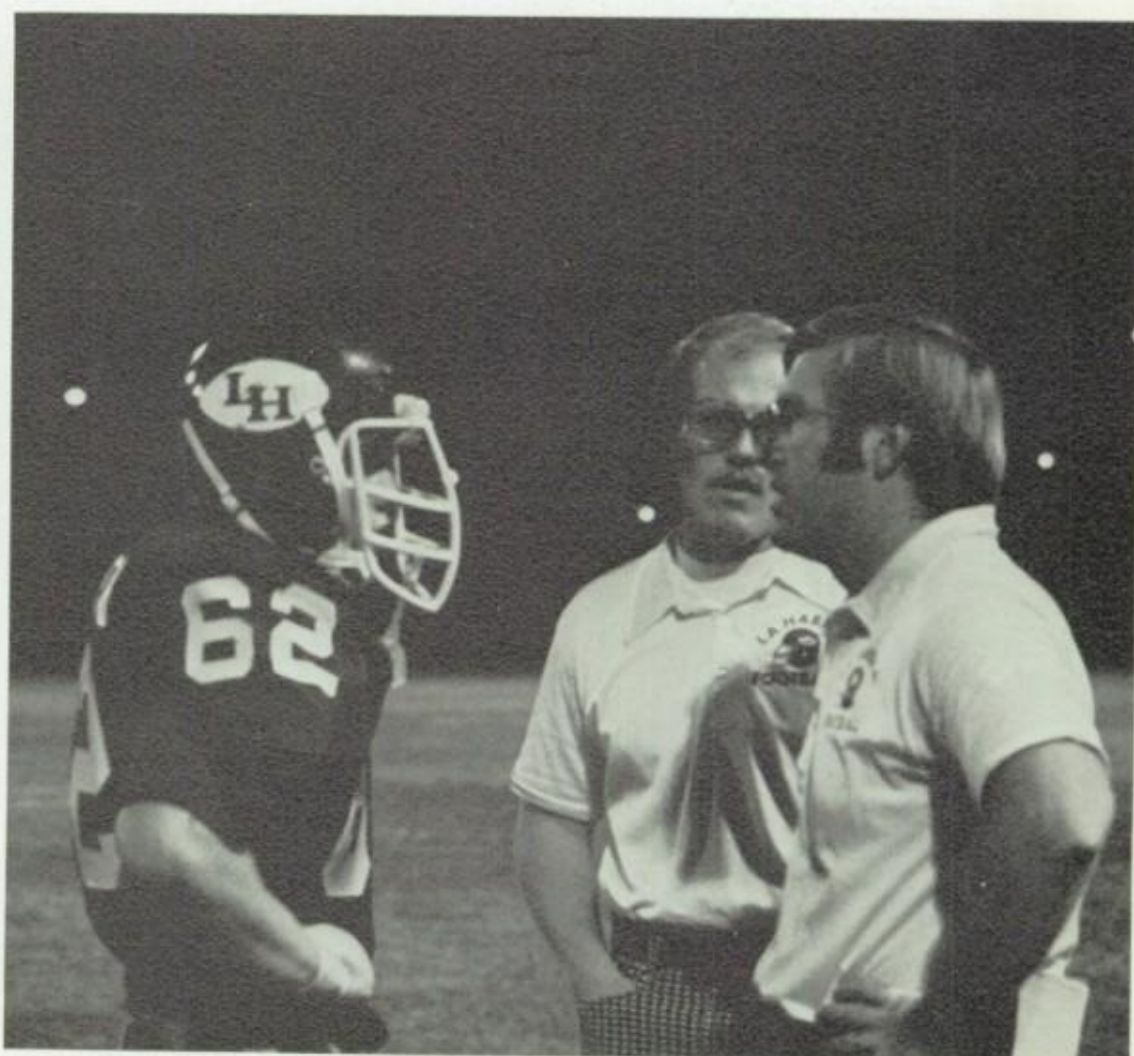

They stepped right into the winning groove in their first game by pouncing Sierra 31-14. With precision clockwork and tenacious hitting in the next three games, the Clan prepared for their biggest game in history. For the first time in the past eleven years, the Highlanders pitted their best eleven men against the perennial Orange League contenders, the Sonora Raiders. Through a tough hard fought battle, the Highlanders came out on top 13-0. The Clan went on to beat Canyon 41-13 for the Homecoming game. Finished the season with an 8-1 record, losing only to Esperanza in the last twentynine seconds of the game.

With the league championship under their belts, they gained respect from unwilling Orange Leaguers.

This team will lose a great group of seniors who will probably go on to play major college football.

These team members made All-League: Mike Rayburn, Brad Foreman, Scott Gill, John Gozzo, Mark Hertzler, Mark Kinder, Greg Holt, Greg Gomez, Chris Palmer, Stuart Smith and Dan Stewart. Stuart Smith was also selected as Orange League's Back of the Year and Dan Stewart was selected as Lineman of the Year.

To those graduating we wish you all the success in the world. To those remaining, carry on the Highlander tradition of hard hitting, emotional football.

Bottom: Mike Gulitteri, Ron Hernandez, John Lockhart, Tommy Magdalena, Ramsey Maso, Al Grist, Joe Alviso.

Head Coach Pat O'Donnell had an extremely rare season this year. His Sophomore team had a record of 0-8 after the last league game. Through this experience, the boys hopefully came out with something to help them in the future. They found, that without a total effort from every individual, you will not succeed in team competition.

The players that continue in the years ahead, will contribute to the total success of their next varsity season.

Right: Sanchez drops back to pass.

Frosh Show the Way

The Freshman team proved itself worthy to compete in the new Orange League with a 4-4-1 record which placed them third in the league standings.

This strong team lost by only one point to the league winner, El Dorado.

Dennis Bryan led the team by playing various positions. Frank Super, Gary Payton and Ritch Moody were also big factors in this successful season.

These young athletes will hopefully continue in our great football tradition.

Clan Ends in Climactic Season

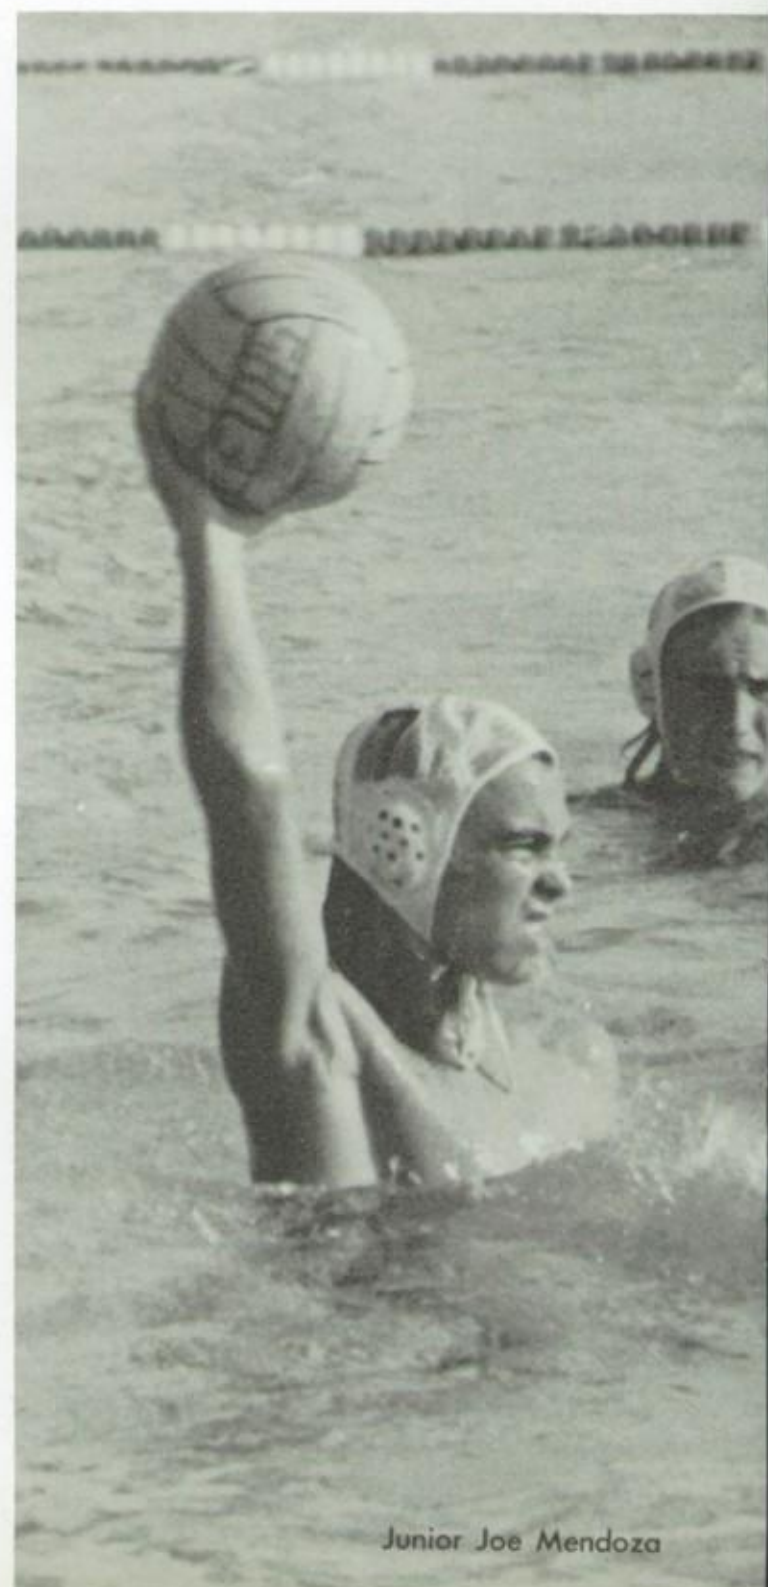

"Close Game" is an understatement for a summary of this years Water Polo season. Under the direction of new Clan Coach Kurt Swanson, LH tankers compiled a 3-3 league, and a 7-7 season record, but this figure is deceiving as the Highlanders missed entering CIF playoffs by 1 goal in the closing seconds of their final game against defending CIF Champs El Dorado. Led by Senior Co-Captains Stan Brown and Neil Macready the tankers were always a scoring threat with the strong arms of Senior Scott Hanna and Joe Mendoza. Left handed Juniors Kevin O'Brian and Eric Herman, added variations to the potent scoring machine, while Junior Bob Carroll was a dominate force in the goal. Senior Jim Simpson and Junior Mike Lally added the depth necessary to beat Sonora 8-7 in an unprecedented forth overtime. Congratulations to Coach Swanson and his team.

Frosh-Soph Brightens Future

The Orange League is known for its athletics, and water polo is no exception as La Habra's frosh-soph team found out. Under new head coach Kurt Swanson, the f/s tankers ended up with a 2-4 record. Sophomore captain Dave Riley led this young squad, while Willie Mudgett and goalie Chuck Gardenhire were the only other second year men among the starters. Freshmen standouts included Brock McClure, Brent Cross, Tony Zandvliet, and Mike Glandorf. It's a sure thing, Coach Swanson will be able to put something together next year.

Future Looks Good for Harriers

Standing: Mike Varanelli, Charles Lundin, Paul Croft, Tim Crandell, Brent Thompson, David Slama, Randy Vance, Coach Ralph Winkelmann. Kneeling: Renee Manague, Mike Garcia, Mike Jones, Mike Rubino, Doug Frey.

This was a building year for La Habra's Varsity Cross Country Team. The team had only one returnee from last year's varsity squad. Along with this inexperience, came a rather dismal 3-4 record. However, there were bright spots along the way. Senior Charlie Lundin was constantly one of the best runners in the league, finishing 7th in league finals and making All Orange League. Other top runners for the Harriers were, Junior Brent Thompson and Sophomores Tim Crandell and Paul Croft.

Next year promises to be an exciting one for the Harriers, for they will be losing only two runners, due to graduation. Along with the returning varsity members, will be members of the awesome Sophomore team. The future could bring a league crown to La Habra's Harriers.

Sophs Stride to Second Place

This year's Sophomore team did an outstanding job all season long. Even though their two top runners were moved up to the varsity squad, this determined group of runners went undefeated until the last meet of the year. They wrapped up the season with a 6-1 record, good enough for a second place finish in league.

Tim Crandall and Paul Croft were the top two Sophomores for La Habra, netting fourth and fifth place in the league finals meet. Helping to devastate the opponents all season long were runners Alan Parfitt, Mike Tobin, and Jeff Neal.

Along with this great season comes hope for a powerhouse varsity in the future.

Left: Soph's lead going into turn.

Frosh Make Good Showing

The freshman team did a terrific job this year. The inexperienced runners blazed their way to a second place finish in league with a 4-2 record.

The team was led by Kent Santillan who, along with Edd Maris and John Garcia, finished in the top ten at league finals.

This sporty group with the help of Coach Winklemann showed that a league crown might not be so far away.

Not Shown: Kent Santillan and Dean Hoppe.

The 1976-77 wrestling season was the best ever! The team compiled 17 wins against only 4 losses, the most wins ever recorded by a La Habra wrestling team. They also did exceptionally well in Tournaments; netting first in both the Freeway-Orange Spectacular and the Santa Ana Invitational. They also won a third-place trophy in their own Takedown Tournament.

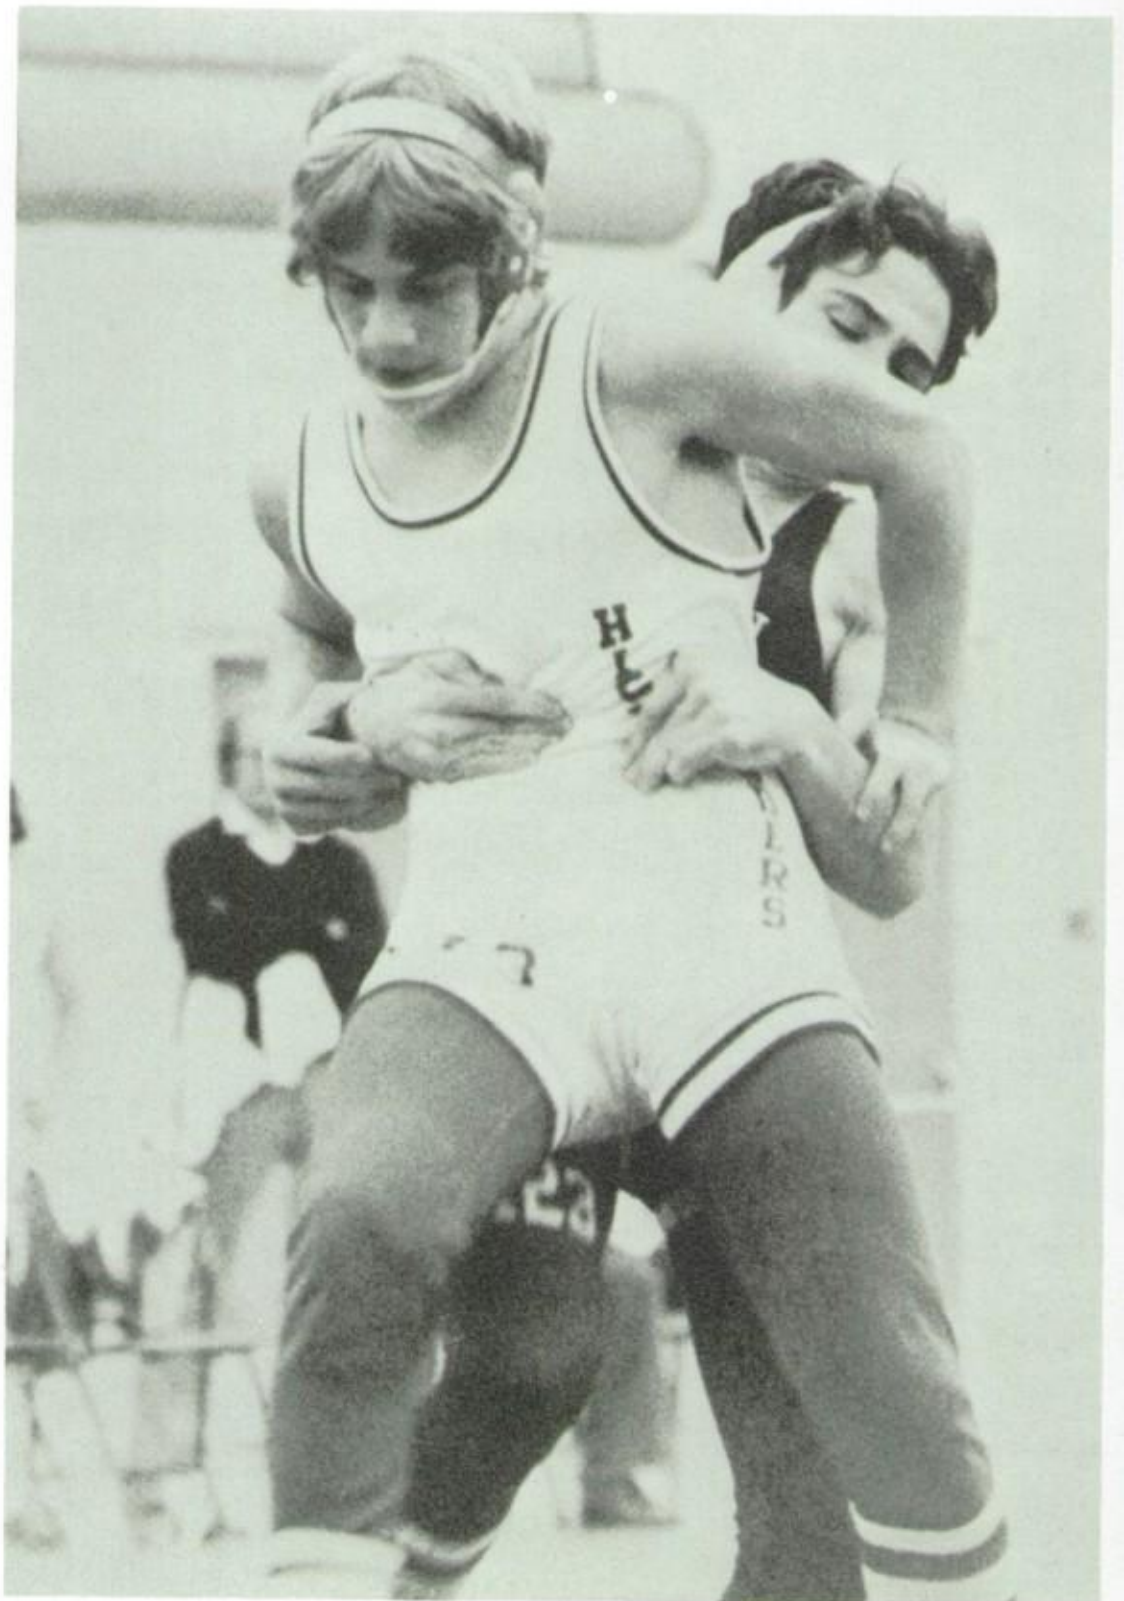

In spite of the mid-season injury of four-year letterman Brad Foreman, the team was carried by other members such as C.I.F. qualifiers: Dean Hoppe, Frank Bitetto, Mike Findling, and Dave Wilson.

Next year's team should be a contender once again for the league crown, for they will lose only 3 members due to graduation.

Frosh-Soph & J.V. Show Talent

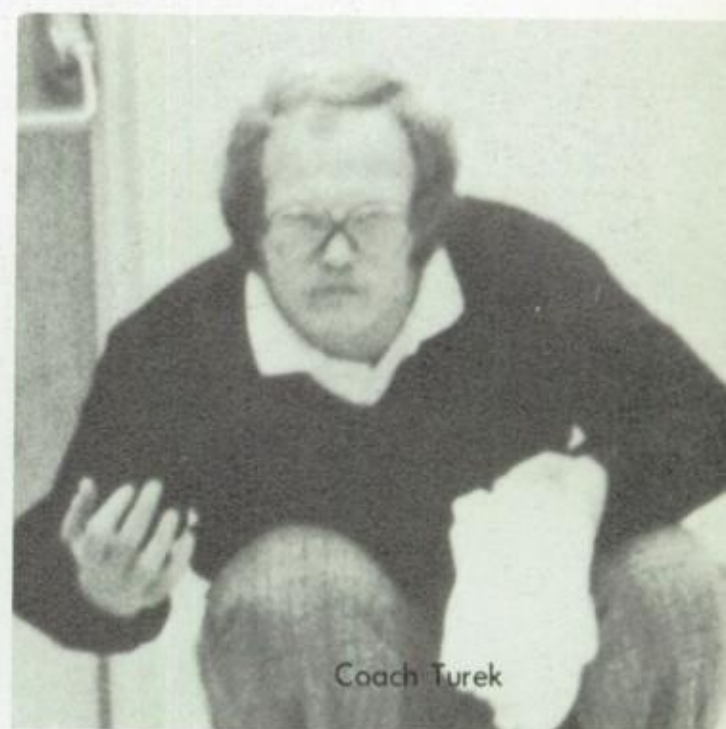

The Frosh-Soph wrestling team was led by many outstanding individuals. Steve Watrin led the team with 14 wins and 5 pins! Other team standouts were Dennis and Doug Bryan, Tony Corina, Chris Bohne, and John Aguilar. The valuable experience these young, talented wrestlers gained should help them and La Habra's wrestling teams in the future.

This year's Junior Varsity wrestling team showed some amazing talent. The team was spearheaded by junior John Corina, who had 13 wins, and Senior Mike Packard, who had 3 pins included in his 7 wins. This spirited and determined group battled throughout the season, gaining respect as they progressed. All three teams were excellently coached by Mr. Turek and Bob Vidana.

Team- Champions of the Clansmen Classic; Champions of the Monte Vista Mustang Classic; Champions of the Orange League; Number 1 ranked team in CIF 3A Division; Made it to the CIF Semi-Finals - only the second team in LHHS history to make it this far; undefeated at home—12-0 record; finished season with the second best record in LHHS history—25 wins 4 losses.

Individual - TED WHITTINGTON-all tournament at Mustang Classic; 1st team pick on the coaches and all newspaper all-Orange League teams; 1st team All Orange County on all newspaper polls; Most Valuable player in league by the Register; Broke the school record and is now the career scoring leader at LHHS.

CHUCK FITZGERALD-all tourney pick at the Mustang Classic; All League pick by coaches and all newspapers; Most Valuable Player in the Orange League by coaches and all newspapers; All Orange County pick by The Register; School record holder by shooting an amazing 58% of his field goal attempts.

SCOTT SCHAMBER-1st team pick at the Mustang Classic; 1st team pick by both the coaches and newspaper for the Orange League All Star Team.

GLEN PORTER-tied the school record for most assists in one season, an amazing feat as Glen is only a Junior and should be much better next year.

DANNY STEWART-a great inspiration as his hustle was very contagious. He had to press up front as a guard then hustle back under the basket and play defense as a Center.

Reserves - A team's strength can be measured by the calibre of players that can come off the bench and contribute to the success of the team. This year Stu Smith, Gerald Pierce, and Korby Wadkins were called upon in nearly every game to come in and do their thing and they responded in true Highlander fashion. Don Speer, Brian Kelly, and Brent Hoffman had many occasions to demonstrate their talent and each came through with flying colors.

Coach Gary Wright's J.V. basketball team had a very successful season with a record of 15-9.

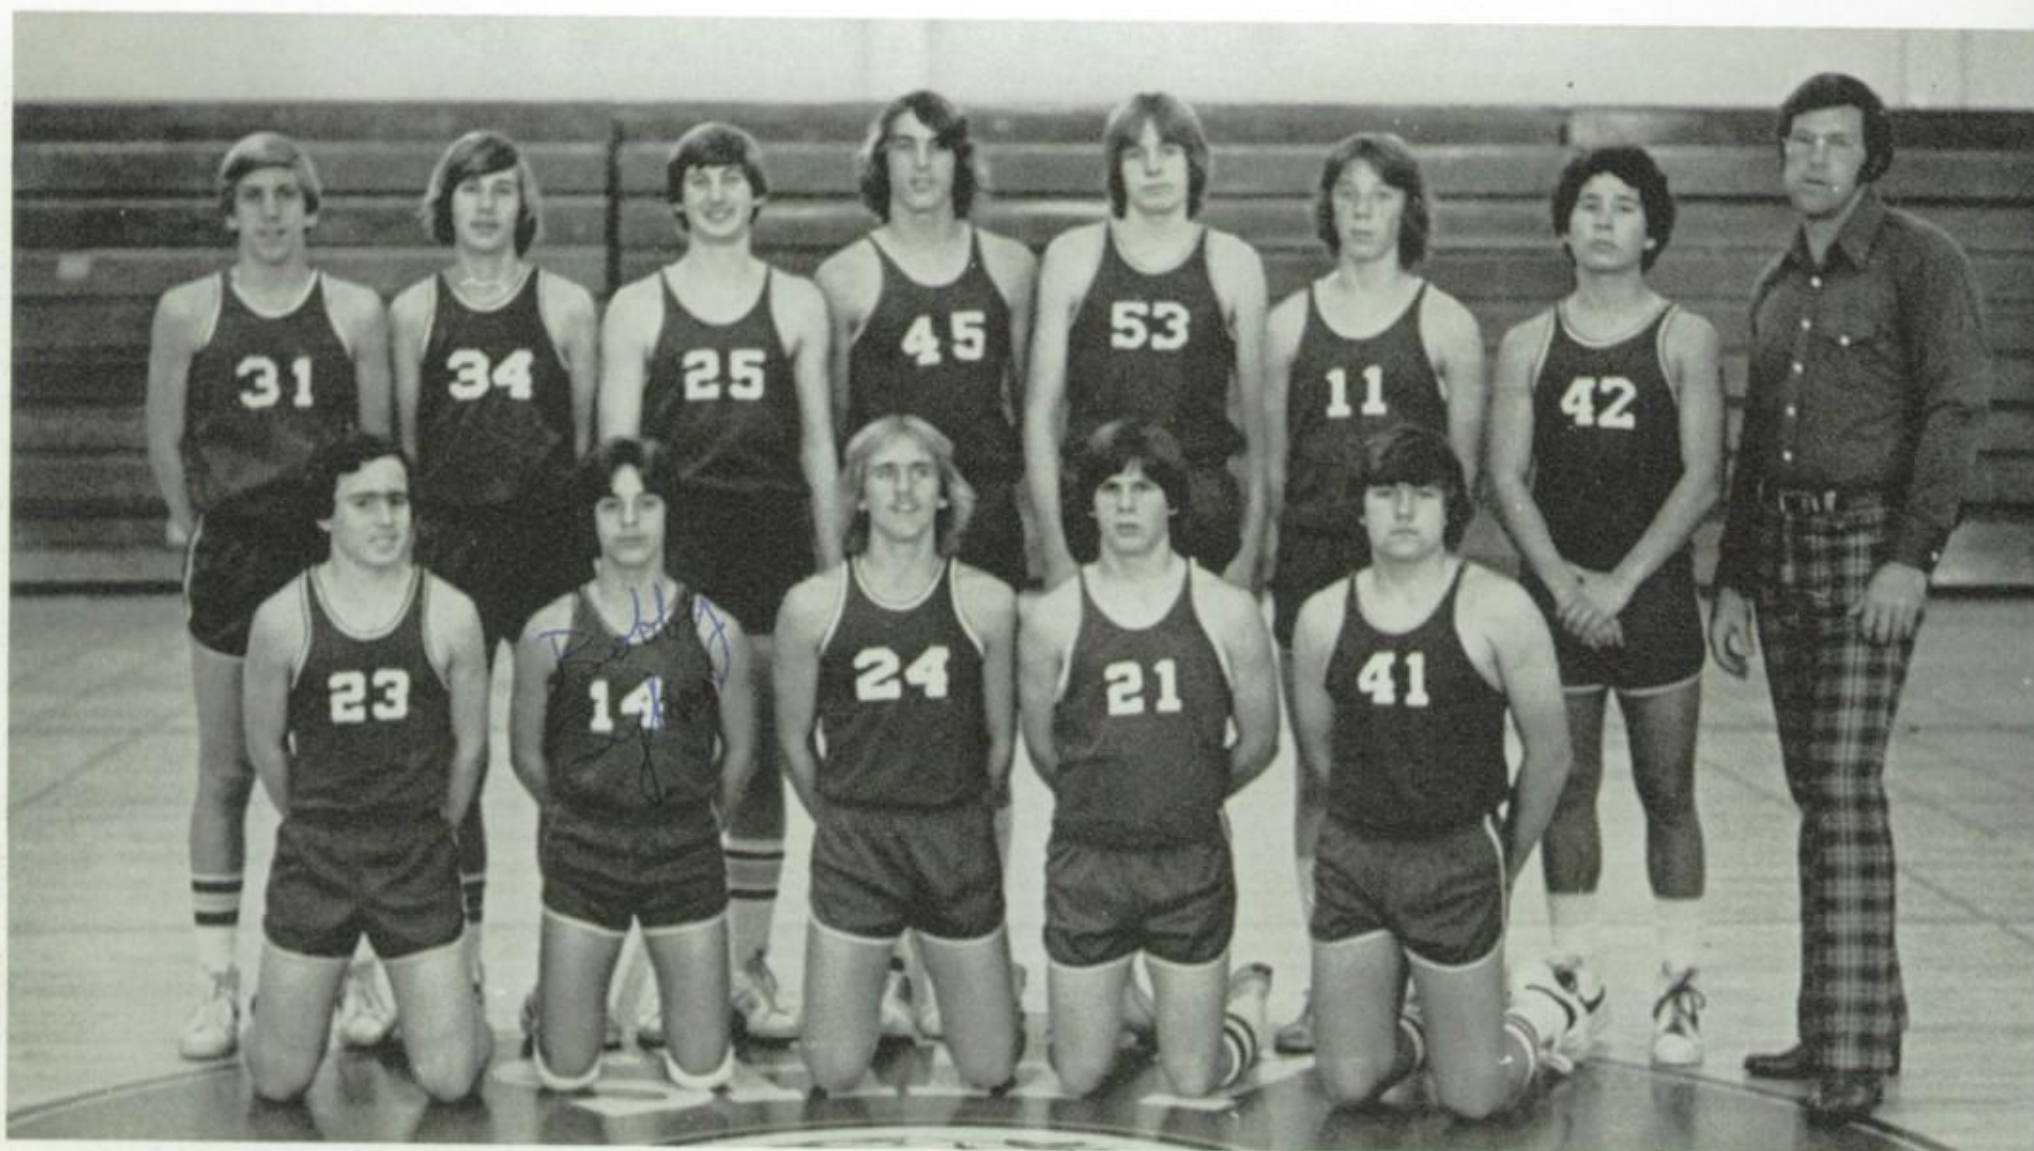

During the pre-season the team was entered into the 4-A Los Altos J.V. tournament. The team played well and took the consolation championship.

In league the team earned a record of 10-4, taking second behind undefeated El Dorado. The record doesn't truly tell all that on throughout league play. For instance, twice the team fell to Esperanza in the last few seconds of the game. In the team's first encounter with the Aztecs they lost by two points because of a shot at the buzzer which fell in. The Highlanders lost to them again in a similar situation by one point.

The team was led by the play of junior Andy Reid, who was selected the team's M.V.P. Andy wasn't the only player which made the team work. The aggressive play of James Chaddock, the inside game of Rich Edmond, and the rebounding of sophomores John Pierce and Scott Macis were all key factors which contributed to the team's success.

Next year this talent will be moved to the varsity squad where they will hopefully have another outstanding season.

This years Sophomore Squad has proved to be another spirited La Habra High basketball team. With lots of hustle and determination, they accumulated a total of 8 wins and 16 losses. Bobby Sykes was named MVP for his quick aggressive defensive playing and hot hand shooting. With a little more practice, they should prove to be another La Habra champion.

This freshman team continued in the fine tradition of excellent basketball at LHHS.

Their 19-3 season record and 14-0 league record speaks for itself.

A group of sharp shooters, this freshman team averaged better than 60 points per game, while outscoring their opponents by better than 20 points per game.

La Habra can look forward to some exciting basketball in the future from this group of athletes.

Varsity Tennis

This year's varsity tennis squad was not dampened by a tough pre-season of 3 wins and 4 losses. Great play by team members Eric Quade, Romolo Trujillo and Dan Berry in the singles and Brent Hoffman and Grant Palenski in doubles competition helped the team to become league champs. Next year's team should be just as good with six returning lettermen.

Varsity Swimmers 4th in League

The season record compiled by this year's varsity swim squad of 4-6 is a misleading figure. This year's talented team, through an excellent effort, moved up to fourth place in the league meet after finishing last in the dual meet season. Three league records were broken by La Habra swimmers, two on the frosh-soph level and one on varsity. Freshman Brock McClure claimed both records, the first standard fell in the 200 I.M., and his second in the 100 yd butterfly. The varsity record also fell in the butterfly, this one by Senior standout Neil Macready, who won the event by an amazing 5 full seconds over the second place finisher. Senior co-captain's Stan Brown and Neil Macready were La Habra's mainstay in the league meet, Brown captured two second places—the 200 and 100 freestyles, while Macready took the fly and got fourth in the 200 free. La Habra's 4x100 freestyle relay added a tremendous effort to take second in that event, juniors Rob Casjens and Mike Lally along with Brown and Macready combined for the outstanding swim.

La Habra moved up to the 4A division of C.I.F. for the C.I.F. meet, qualifying in five events. McClure qualified for the 100 fly and 200 I.M., while sophomore Chuck Hoffman qualified in the 100 freestyle, these three being on the frosh-soph level. The varsity held its own at the C.I.F. meet. Stan Brown qualified in the 100 free and Neil Macready in the 100 fly. Macready was the sole La Habra swimmer to make the finals. The three time All-American did this by annihilating the rest of the field in a time of 50.8, to win his second consecutive C.I.F. crown.

Seniors Stan and Neil would like to wish good luck to Coach Swanson and next year's squad.

This year's Varsity Track team was led by many outstanding individuals, who placed time after time, meet after meet. Charles Lundin was unbeatable in the mile and two mile, with Brent Thompson close behind. In the 880, Alan Parfitt was a consistent winner with Glenn Shorb on Parfitt's heels. In the relays and sprints, Mitch Maire, Leobardo Aguirre, Carlos Rodriguez, and Mark Hertzler were all superior athletes. Dane Thomas and Darren Eller were the top men in the high and low hurdles. In the field events top leaders were John Pierce-high jump, Emil Osterman-long jump, Mark Mannion-shot put and discus along with Rene Campos and Damon Drake. Most of these standouts were underclassmen, so with next year's team, and the good coaching, they are a promising team.

The mile and two mile were their strong points with such runners as Tim Crandell, Mike Tobin, and Greg Koch. Alberto Sanchez showed excellent form in the hurdles. In the middle distance runs, Paul Croft had some fine performances. The field event squad was led by Dan De La Rosa in the shot put and Chris Bohne and Brian Mendoza in the pole vault.

Two standouts were Frank Super-hurdles and relays, and Dave Short-mile and 2 mile. Other valuables were Tony Minasian in the sprints and Eddie Maris in the 880 and mile. Tony Corina was another star in the shot-put and discus, and Robby Jones in the triple jump.

Coach Quesada

The 1977 edition of L.H.H.S. varsity baseball, under the direction of coach Joe Quesada and the field leadership Senior Captain Scott Gill, had a reasonably successful season. The success could not be measured in the win-loss record, nor their finish in the tough Orange League, but in the experience this underclassmen-laden team gained through the course of the season.

However, leadership was needed to mold this youth into a contending team. This leadership was supplied by the seniors Scott Gill, Gil Ovalle, Dien McCall, Scott Day, Jim Willard, Pete Curti, and Mark Kinder. Gill, a three year starter for the Clan, contributed heavily at the plate and on defense at his catcher's position. He is a definite candidate for All-League honors. Second basemen Gil Ovalle was steady year around on both offense and defense. Kinder, Willard, Day, and Curti all came through with timely hits and were continuously hustling.

Underclassmen standouts include: Shortstop John Foreman, Outfielder Charlie Plant, Third basemen Jim Hayden, and Sophomore First baseman Vito Santoro.

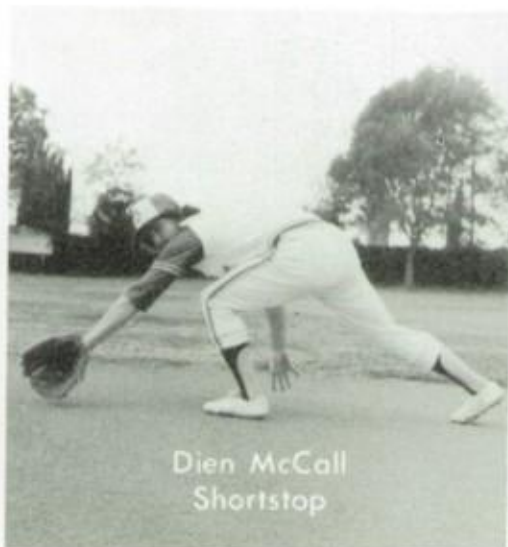

From the pitching ranks, Juniors Mark Gebhardt, Mark Dieckhoff, and Ray Smith were outstanding and expected to improve greatly in their senior year.

Continued hardwork on the part of the underclassmen will surely bring the Orange League title to L.H.H.S. To the seniors graduating, a big thanks for four hard working years and continued success in whatever you do. Congratulations Clan!

The 1977 Clan Frosh-Soph baseball team, in the words of Coach Vince Senik, "is the most persistent team I've ever coached. They will be winners. . ." With determination this team displayed during the season, the baseball title hopes for the future are good. The pre-season for the Frosh-Soph was a successful one in that they were introduced to high school baseball. The team took a fourth place in the Huntington Beach Easter Tournament. Entering the Orange League, the team got off to a fast start. But as the second round of League rolled around, the team's record was accumulating more losses than victories.

Nevertheless, individual players were enjoying productive seasons at the plate. Carl Braun was the top hitter for the Frosh-Soph, batting .467 for the season and .454 during league play. Joe Valencia was close behind with a .397 season average and a .424 league average. From the pitching standpoint, Mark Williams, Joe Caldwell, and Richard Melendrez all possess ability and promising futures at L.H.H.S.

This year's Varsity tennis team showed much effort by placing 3rd in league. J.V. also placed a strong 2nd. By only graduating four seniors this year, next year's team is hopeful to place first. This year's all-league singles player was Mary Garret and Doubles was the team of Jan Drain and Sharon Kerbow. They aided in this year's accomplishments.

Field Hockey: CIF Finalists

This year's field hockey team went to C.I.F. after taking the league championship. In the finals, they played Colten High School at Golden West College. The final score was Colten-2, La Habra-0. The overall record for the season was, 11 wins, 1 tie, and 1 loss.

Outstanding coaching was contributed by Mrs. Sandy Blumenthal and Mrs. Kaki Levin. Awards were given to the All League team, Lindy Thrapp, Anne Ramsey, Sharon Kerbow, Jan Drain, Leslie Contreras, Ruth Glover, and Abbie Flanagan.

Volleyball "Set" High Standard

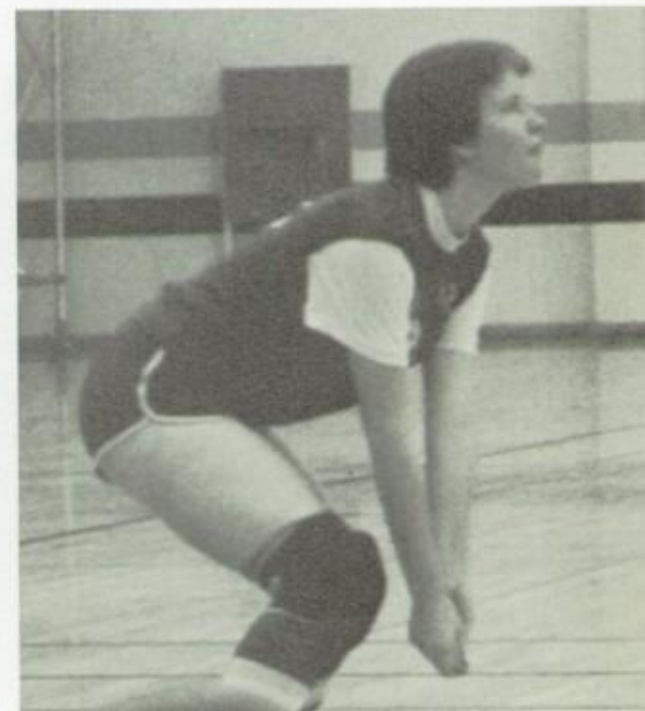

This year's varsity volleyball team had a great season with a record of ten wins and four losses. The super coaching of Mrs. Sandy Blumenthal boosted the team in many times of despair. Together, with the outstanding playing ability of Sr. Lindy Thrapp, and the team work contributed from each player, this year was one of success.

The J.V. team consisted of experienced players from last year and new talent from the freshmen. Coaching by Mrs. Jody Tallman, brought this team to a League Championship.

Track this year has shown an enormous amount of talented athletes and coaches. Mr. Dolan, head coach, assistant coaches Steve Beck, and Steve Palmer, pulled together a team with records broken, and the girls showed personal records in themselves they never believed they could achieve. La Habra's one mile relay record was broken by an outstanding team of Donna Short, Carla Allen, Patti Lake, and Sandi Lucas. Sophomore Leslie Contreas has improved and conquered the hurdles and shot put. With many underclassmen coming back we're sure to have a great team in the future.

Gymnastics this year got off to a brilliant start. With an enthusiastic team, how could you lose? This is a sport progressing in La Habra and with this team it is inspiring many. Much thanks is given to the girls and coaches for representing La Habra through some tough meets.

Swimmers Swim Swell

This years swimming team has some talent you would not believe. Janet Ashabraner (diving above) showed some beautiful form not shown in the high school age. But as a whole, both varsity and junior varsity placed quite high in the standings and should be commended.

On the evening of April third, nineteen hundred and seventy-six the annual Prom was held at the Newporter Inn. "The Garden of the Gods" was the theme and Ace was well received with their excellent musical entertainment.

At 10 o'clock the royal coronation began. Master of Ceremonies, Ted Wittington, Junior Class President, introduced the Prom Court as Bill Haller sang "The Hands of Time". The much anticipated moment arrived as Neil Macready and Kathie Doyle were crowned king and queen by last years royalty, John Sullivan and Lori Bishop. Dance -

An expression in form, shape and movement without words or sound where feelings come across that reach out and touch

On March 23-26 1977, Synergy dance club presented "Dancin' live on stage". The dancers displayed their talent by exhibiting many different shapes, movements, and forms. This year's group of dancers worked hard to give an outstanding performance. Ms. Shields, the Synergy advisor, gave valuable leadership as well as working long hours seeing that each dance was performed to perfection.

The versatile company presented all types of original dances ranging from classical ballet to modern jazz. Before the close of the show, dance III added "part 2" of the traditional Re-Enter, Re-Exit, Re-Visited, Re-Visited which is a comical sketch of dancing.

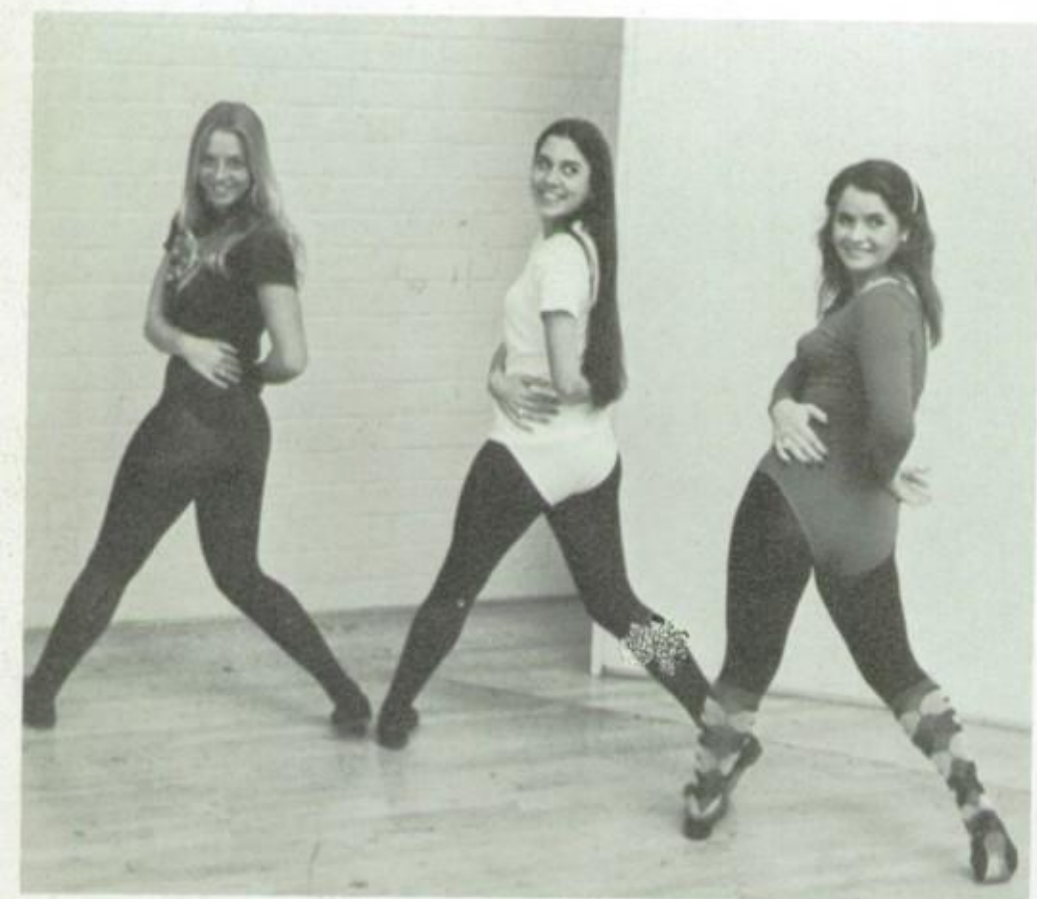

The dance show ended with glittered hats and sparkling faces as the dancers stepped to "One", (singular sensation) from Chorus Line for the finale. Dancin' Live on Stage was a great success.

Mellow Rocks N' Rolls

"Mellow Rock" was an excellent example of the musical talent at LHHS. The students put forth a great amount of time and effort to produce a fantastic musical-variety show. Dave Sferrazza, Lisa Baker, Denise Hughes, and Lori Huntley were the originators of the show. After holding tryouts in early January, the cast vigorously worked every morning before school to complete and perfect "Mellow Rock". The audience's overwhelming response clearly expressed the success of the show.

A.S.B. Cabinet Strives

With the publishing of the 1976-77 Hieland, another year of history concludes at La Habra High School. But within the pages of this history book, one cannot begin to realize the everlasting gifts that have been bestowed upon us in this small, but ever so important, segment of our lives.

We have attained relationships with our peers which have benefited each one of us in the past and the present, and surely will profit us in the near future. We have developed a strong comradeship among ourselves that was strengthened by a common bond we each possessed; youth and enthusiasm. We have laughed together in time of joy and cried together in times of sorrow.

Using our individual talents and the teachings and guidance of our unheralded instructors, we received an education whose value and worth is only beginning to surface. The potential effect it will continue to have on our lives is unlimited. For this, we are truly grateful.

Finally, during your short existence here at La Habra High School, it is my sincere hope that you obtain your direction in life, and that whatever endeavor you undertake, it will bring happiness to your lives. Carry on the Highlander Pride.

Sincerely,

Stuart Smith

Much of this year's success can be credited to Mr. Richard Porter, who went above and beyond his call of duty to help this group of hard working students accomplish what they strived.

cut along dotted line

This year, for the first time a fan club was started after one of our own students. The standards for membership in "The Russ Cohen Fan Club" are a good sense of humor and partial insanity. Starting as a joke, the fan club caught on quickly and now has over 50 members. After a long fight with the ASB executive cabinet, the club was declared "official" and therefore earned its space in this year's annual.

Sane Scientists?

First Row; John Kim, Mike Garcia, , Will Nelson, Curt Palm; Second Row: Martha Castro, Christi Livingston, Mike Jones, Jeff Coonz (President); Advisors: Mr. Greim, Mrs. Takahaski (Not Shown)

The primary objective of La Habra High school's Science Club this year was to plan their field trips as a learning experience in the science field as well as having fun. On a visit to Sea Life in Anaheim, interested students learned the construction of salt water tanks as well as the care of salt water fish. Another field trip took the future scientists to Lasarium at Griffith Park Observatory.

Faculty Stages

The Melodrama, "Love Rides the Rails or Will The Mail Train Run Tonight" was a success in the faculty's purpose of raising money for student scholarships. The faculty netted approximately \$800 for students with ambition and need for money. Plays previously performed by our faculty were "Odd Couple" and "You Can't Take It With You."

This Hero and Villian type play was accented by the acting of many faculty members. Mrs. Carr donated her artistic talent for the stage's set while Mr. Theron Ashby directed the play.

Miracle Worker

The first production by LHHS Drama Department "Miracle Worker," was a great display of talent by the student performers.

The play well reenacted the works of Annie Sullivan's fight for a natural life for Helen Keller, the young, deaf, dumb, and blind child.

Outstanding performances were held by Lisa Baker, Lisa Morton, Jeff Walker, and Chris Profeta. The pictures shown below are the night starring Jeff Walker.

Music Dept. Spreads

On December 17th, the LHHS Music Department helped bring in the Christmas Cheer. Mixed Chorus started off the concert singing selections such as "Christmas Calypso," "Simple Gifts," and "Indian Carol." Following Mixed Chorus, was Concert Band. Some of their selections included "Winter Wonderland," "Jingle Bell Rock," and "White Christmas." Concert Choir followed with "O Holy Night," "Gloria in Excelsis," with the alumni joining in the finale of "The Hallelujah Chorus".

Girls Hit Hard

This year's Powderpuff Football game was a four star attraction. The game was a hard fought one, with the senior's coming away victorious, 6-0. The winning touchdown play came late in the third quarter when Senior quarterback, Tracy Neff, tossed a 20 yard pass to receiver Sue Greene. The juniors, after an interception by Shawn Pulliam, fought back late in the fourth quarter, but time ran out. Both teams should be congratulated for countless hours of practice and a well played game also. The cheerleaders (junior and senior guys) contributed to the fun atmosphere by performing many cheers and routines. The head coaches of both teams, Mike Rayburn and Mack Jaramillo, must also be congratulated for their efforts.

A devoted staff helped to make this year's Scotch Tape an enjoyable and well written newspaper. The Scotch Tape continued its exciting sports coverage and fine feature articles. With the help of editors and advisor, layouts were much improved compared to past years editions. Accompanying the articles were superbly drawn illustrations that added spice to this years Scotch Tape.

A black and white photograph of a garden scene. In the center, a wooden sign with the word "Advertising" in a white, cursive font is mounted on a wooden post. The sign is surrounded by various plants, including large, dark, lobed leaves at the top, feathery ferns in the middle, and small, round-leaved plants with white flowers at the bottom. A large, light-colored rock is visible in the lower-left corner. The background shows a wooden fence or wall.

Each year it becomes increasingly difficult to surpass the previous years Annual. Due to the diligent efforts of our Editor Kathie Doyle and her Co-Editor Suzanne Holmberg, this edition of the Hieland has upheld the tradition of meeting our expectations.

My thanks go to the editors and staff for producing this fine publication; a special thanks is extended to Ernie Hartman of Albert and James Studio for his enthusiastic effort in making this book possible.

Please support our advertisers; without their support this book would not have been possible.

The staff joins me in wishing the Class of 1977 the best of luck and much success as they leave La Habra High School.

Mr. Pendell

Mr. Pendell, Advisor

After looking through last year's yearbook, Suzanne and I didn't really know where to begin. We discussed many ideas keeping in mind the importance of having the theme relate to the school and to the people.

This year we have chosen "For Everything There Is a Season" for our theme. I felt that just as a season turns and changes so do our lives with the things we experience in high school from day to day.

I would like to thank the staff for all their effort combined to put this book together, Albert and James, especially Ernie and our own photographers for giving of themselves many extra hours taking and developing pictures. Without them this would have never been possible.

A very special thank-you to a very close friend and co-editor, Suzanne Holmberg for giving of herself, and many extra hours and ideas.

Thank-you to Roger's Gardens, Newport Beach for letting us photograph our cover and division pages there.

And most importantly to our advisor and friend, Mr. Pendell for the honor of being this year's Hieland editor.

I sincerely hope that in some way this book relates to you.

Virginia,
I'm really glad I got to know you this year. You are a really cute and sweet girl. I'm glad that we had a class together this year. Maybe next year we will have another. I know I will see you during the summer. Maybe you and Bob and Virgil and me can go out again. I had fun when we all played tennis. Have a great summer and I'll see you around!

Virginia,
Now that I look back, doesn't it seem like this year went fast?! I really enjoyed it, didn't you? I'm glad we had a couple ~~of~~ classes together so that we could get to know each other better since I didn't really know at all at Starbuck except for Home Ec. Too bad we had "Old Wally" for English (better luck next year!) and Peru Mr. J. for Spanish. Oh well, it's over and we lived through it! Well, Virg, I want to let you know that I have many wonderful memories of you, especially Sunrise. I'm so glad that us 4 did that. Remember how we started on the same side & how we used to peek through the curtain! Memories, memories, how nice they are to have. I hope you realize how much you mean to me and that I love you! I'm glad that I have a friend as wonderful as you, since you are so pretty & sweet. Thanks for everything. Don't forget about me during the summer.
See ya next year,

Love always
Diane

Lost, yesterday,
somewhere between sunrise and sunset,
all golden hours
each set with sixty golden minutes
no reward is offered,
for they are gone forever
the doors close behind
our steps echo down empty halls
and we, too, have become only
a memory

This has been a great year. There's no doubt about that. I only hope that next year will come close to this year. It was a lot of fun in Geometry and I know everybody in the class enjoyed this year. Of course you know that you owe me a big favor but that's all right cause I don't need one. I still haven't decided whether or not to call or tell you-know-who where I got her number. Of course if I call I will have to tell her sometime. Since I'm getting my car sometime next week we'll have to plan something for this summer. You and Bobby better come to the gym this summer so that you can get in shape and go out for the TSB next year. Can't think of much else to say except that I'll see you this summer and I hope we have some classes next year.
